As a successful organization, you will recognize that your most important asset is your people. Finding a training organization that understands the needs of the marine industry, and has the experience and credibility to make training relevant and effective, can sometimes be difficult. That’s where Lloyd’s Register can really make a difference.

Lloyd’s Register is setting new standards in the quality of training and fulfilment of client expectations. Since 2002, we have been offering training services to help you get the most from your staff.

Lloyd’s Register North America is pleased to announce our Marine Training schedule for Fall 2007. Below is a schedule and pricing of our upcoming Marine Training opportunities and fact sheets for all of the various Lloyd’s Register training courses in the Americas for the next quarter:

Other courses on other topics are also available. Periodically, as demand dictates, Lloyd’s Register offers external training courses in various centralized locations throughout North America and the world. If these dates or venues do not meet your needs, or you have interest in additional courses or courses offered on an in-company basis we can always assist you with just an e-mail or a phone call. Additionally, a worldwide listing and description of pre-scheduled offerings is available from our web site training page: [http://www.lr.org/Industries/Marine/Services/Training/Courses/](http://www.lr.org/Industries/Marine/Services/Training/Courses/)
